### **HOW TO SUBMIT YOUR BLOG POST AND CLAIM YOUR BOUNTY**

Once you have written your blog post and it's ready to read it go to the BOUNTY page and select the corresponding bounty to your task then click the Claim button. A windows will appears asking your email address, your BLOC address, the link of your blog post and a short message. When you filled everything click 'CLAIM REWARD'. You will get an notification by email once we have processed your bounty request.

You can also check the status your bounty request on the BOUNTY page by clicking 'Check your payment bounty status' and entering your BLOC address.
